

REMARKS

Claims 1-17 and 32-44 have been canceled without prejudice.

Claims 45-51 have been added.

The Office rejected claims 6, 14-18, and 43 under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which the applicant regards as the invention.

It is believed that the Office meant that claims 6, 14-15, and 43 were rejected under 35 U.S.C. 112, second paragraph, since the Office stated that claim 18 is allowable and also since the Office does not give a reason as to why claims 16-18 would be indefinite. The Applicants have therefore respectfully treated the rejection to pertain to claims 6, 14-15, and 43. If the Applicants are in error, the Applicants respectfully request to be notified by the Office.

Since claims 6, 14-15, and 43 have been canceled, the Applicants respectfully submit that this rejection is moot.

The Office also rejected claims 1-5 and 7-13 under 35 U.S.C. 103(a) as being unpatentable over Chenin (6,424,595) in view of Galison. Claims 1-5 and 7-13 have been canceled rendering this rejection moot.

The Office rejected claims 32-33 under 35 U.S.C. 102(b) as being anticipated by Chenin. Claims 32-33 have been canceled rendering this rejection moot.

The Office rejected claims 34-40, 42, and 44 under 35 U.S.C. 103(a) as being unpatentable over Chenin. Since claims 34-40, 42, and 44 have been canceled, the Applicants respectfully submit that this reject is also moot.

New claims 45-51 all depend from allowable base claim 25, therefore the Applicants respectfully submit that claims 45-51 are also allowable.

In view of the arguments and amendments made herein, Applicants respectfully submit that the application is now in condition for allowance. Accordingly, Applicants respectfully request that a timely Notice of Allowance be issued in this case.

30 claims have been canceled and 7 new claims have been added, equaling a net loss of 27 claims. Applicants believe that there are no fees due at this time and also appreciate the thorough review made by the Office. As indicated in a communication received by the Office on June 30, 2005, the Commissioner is authorized to charge any additional fees that may be required at any time during the prosecution of this application without specific authorization, or credit any overpayment, to Deposit Account No. 180584. If there are any questions concerning the above, please contact the undersigned at 801-310-8427.

Respectfully submitted,
